## About the ACCT Board of Directors

The ACCT Board of Directors represents community college trustees throughout the United States and several outlying territories, as well as some Canadian provinces. ACCT’s membership territory is divided into five regions (Central, Northeast, Pacific, Southern, and Western).

The 26-member ACCT Board of Directors consists of 15 directors elected regionally at the Caucus, nine directors-at-large elected by the Senate, and two directors appointed by the Chair. A full elected term is three years. Directors serve staggered terms.

At the Annual ACCT Leadership Congress, one regional director is elected from each of the five regions (Central, Northeast, Pacific, Southern, and Western) at the Regional Caucuses and Meetings, and three directors are elected at-large at the Senate Meeting.

Regional Nominating Committees meet during the Community College National Legislative Summit (NLS) in February to interview and nominate candidates for regional directors and support directors-at-large. While meeting with Regional Nominating Committees is not required to be elected to the ACCT Board of Directors, it is *highly* encouraged, as candidates supported by their respective Regional Nominating Committees are designated as such during Regional Caucuses and the Senate meeting. Nominations will be accepted from the floor at the Annual ACCT Leadership Congress on all elections; however, provided that the nominee has a letter of support from his or her local board.
