

The Community College National Legislative Summit is the premier advocacy event in Washington, DC, for community college leaders.

Bringing together more than 1,000 community college leaders, the National Legislative Summit shines a spotlight on the importance of our nation’s community colleges for Congress and the Administration.

The National Legislative Summit is designed to inform and educate community college leaders on federal policy issues that impact postsecondary institutions and students. Participants will hear from members of U.S. Congress, leading political analysts, and other high-profile speakers about the current climate in D.C., recent elections, and legislative issues impacting community colleges.
